## **Early Childhood Educator Position at Holy Family Child Care and Early Learning Center**

Description of Child Care Holy Family Child Care and Early Learning Center provides parents in the Manayunk and Roxborough area with a safe and caring environment for their children, from infants through four years old. Working and busy parents need to know that their infants through four year olds can be left in the care of responsible staff five days a week. The school provides not only custodial care, but also early education for three and four year olds. Their transition from one level to the next is a focus of a caring facility that wants to surround children with a loving environment in which they can grow in faith and knowledge into better versions of themselves. We ensure, most importantly, that children are safe from all harm, and communicate with the parents that they can trust us with their children.
