ARIEL PRESLEY

NEW HOLY CHILD DAYCARE DIRECTOR

Ariel Presley is an educator at heart who specializes in Early Childhood Education. She has been teaching for 9 years and 6 of those years have been dedicated to those at the foundational level. Teaching is her passion and her love for children runs deep. It takes a huge heart to shape little minds and Ariel has a huge heart. Ariel believes it takes a village to raise a child, therefore cultivating the right space and place is a priority and she does so with great intentionality. She believes in the whole-child approach when it comes to learning. For students to be successful, it is imperative that the foundation is solid so that many other great teachers can effectively build upon what has already been established. Frederick Douglass said it best, "it is easier to build strong children than to repair broken men" and that is exactly what Ariel aspires to do, to inspire before she expires with each family that she is blessed to encounter. This year, Ariel took up space as one of the few Black Educators who received the 2022 Terri Lynne Lokoff Teacher Awards representing Philadelphia, Pennsylvania. Not only is Ariel an educator, but she is also a swim instructor who has been swimming her entire life. She comes from an amazing village, and it is only fitting that she gives what she has been blessed with or at least strive to create for others. She is a lover of many things, but especially a good book, volunteering, her dog Onyx, flowers, music, and God. Ariel holds a BA from Villanova University with a concentration in Africana Studies and minor in Education. She also holds her "The Pennsylvania Director Credential". Ariel is currently studying at Eastern University for her Master's Degree in Curriculum and Instruction with a focus on Early Childhood Education.
